After he had left the German hard rock group VIVA, Swiss rock singer Marco Paganini founded his own band PAGANINI in the mid 80s. In 1985, the album "Weapon Of Love" was released, followed by "It's A Long Way To The Top" in 1987. Both albums are much sought after by today's collectors, selling at high prices on e-bay...if they can be found at all.

"Weapon Of Love" also contained the hit single "Berlin By Night", which got heavy airplay at the time and also achieved cult status in many rock clubs. Back in the days PAGANINI were touring all over Europe, supporting - amongst many others - bands such as MÖTLEY CRÜE.

YESTERROCK, the Munich based label specializing in re-releasing classic rock albums, managed to publish the two albums, both of which were digitally remastered. Each album also contains a bonus track. As usual, distribution will be handled by NL DISTRIBUTION.

Nach seinem Ausstieg bei der deutschen Hardrock-Formation VIVA gründete der Schweizer Rocksänger Marco Paganini Mitte der 80er Jahre die Band PAGANINI. 1985 entstand der Longplay „Weapon Of Love“, gefolgt von dem Album „It's A Long Way To The Top“ im Jahre 1987.

Beide Alben gehören heute zur Gruppe der gesuchten CDs, die bislang, wenn überhaupt, nur überteuert bei e-bay zu ersteigern waren. „Weapon Of Love“ enthielt übrigens die Single „Berlin By Night“, die neben einem großen Radioerfolg auch in zahlreichen Rockclubs der 80er Jahre Kultstatus erreichte. PAGANINI tourten seinerzeit durch ganz Europa, u.a. mit ihren Vorbildern MÖTLEY CRÜE.

Einmal mehr gelang es dem auf Wiederveröffentlichungen spezialisierten Münchener Label YESTERROCK, beide Alben in remasterter Form und mit jeweils einem Bonustrack versehen, erneut zu veröffentlichen. Der Vertrieb erfolgt wieder über NL DISTRIBUTION.
